

Into You – Ariana Grande

I'm so into you, i can barely breathe
And all i wanna do is to fall in deep
But close ain't close enough 'til we cross the line, baby
So name a game to play, and i'll roll the dice, hey

Oh baby, look what you started
The temperature's rising in here
Is this gonna happen?
Been waiting and waiting for you to make a move
Before i make a move

So baby, come light me up and maybe i'll let you on it
A little bit dangerous, but baby, that's how i want it
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you
Got everyone watchin' us, so baby, let's keep it secret
A little bit scandalous, but baby, don't let them see it
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you, oh yeah

This could take some time, hey
I made too many mistakes
Better get this right, right, baby

Oh baby, look what you started
The temperature's rising in here
Is this gonna happen?
Been waiting and waiting for you to make a move
Before i make a move

So baby, come light me up and maybe i'll let you on it
A little bit dangerous, but baby, that's how i want it
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you
Got everyone watchin' us, so baby, let's keep it secret
A little bit scandalous, but baby, don't let them see it

A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you, oh yeah

Tell me what you came here for
Cause i can't, i can't wait no more
I'm on the edge with no control
And i need, i need you to know
You to know, oh

So baby, come light me up and maybe i'll let you on it
A little bit dangerous, but baby, that's how i want it
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you
Got everyone watchin' us, so baby, let's keep it secret
A little bit scandalous, but baby, don't let them see it
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you

So come light me up
So come light me up, my baby
A little dangerous
A little dangerous, my baby
A little less conversation and a little more touch my body
Cause i'm so into you, into you, into you
