

Hotline bling – Charlie Puth & Kehlani (Drake)

You used to call me on my cell phone
Late night when you need my love
Call me on my cellphone,
Late night when you need my love
And i know when that Hotline Bling,
That can only mean one thing
I know when that Hotline Bling, bling
That can only mean one thing
Cause ever since i left the city you,
See I got a reputation for myself now
Everybody knows and you feel left out,
Boy you had me down, you got me stressed out
But ever since i left the city you,
See I started wearing less and going out more
Glasses of champagne out on the dancefloor,
Hanging with some girls
You've never seen before
You used to call me on my cellphone,
Late night when you need my love
Call me on my cellphone,
Late night when you need my love
I know when that Hotline Bling,
That can only mean one thing
I know when that Hotline Bling
That can only mean one thing
Cause ever since i left the city you
You and me we just don't get along
You make me feel like i did you wrong,
Going places that you don't belong
Ever since i left the city you,
You got excatly what you asked for
I'm running out of pages in my passport,
Hanging out with girls you've seen before
You used to call me on my cellphone,
Late night when you need my love
Call me on my cellphone,

Late night when you need my love
I know when that Hotline Bling,
That can only mean one thing
I know when that Hotline Bling,
That can only mean thing
You used to call me on my cellphone,
Late night when you need my love
Call me on my cellphone,
Late night when you need my love
