## Don't Start Now – Dua Lipa

Did a full one eighty, crazy Thinking 'bout the way I was Did the heartbreak change me? Maybe But look at where I ended up I'm all good already So moved on, it's scary I'm not where you left me at all So If you don't wanna see me Dancing with somebody If you wanna believe that Anything could stop me Don't show up Don't come out Don't start caring about me now Walk away You know how Don't start caring about me now Aren't you the guy who tried to Hurt me with the word goodbye? Though it took some time to Survive you I'm better on the other side I'm all good already So moved on, it's scary I'm not where you left me at all So If you don't wanna see me Dancing with somebody If you wanna believe that Anything could stop me Don't show up Don't come out Don't start caring about me now Walk away

You know how Don't start caring about me now Don't show up Don't come out Don't start caring about me now Walk away You know how Don't start caring about me now If you don't wanna see me
