## Did my time - Korn

Realize that I can never win Sometimes feel like I have failed Inside where do I begin? My mind is laughing at me Tell me why am I to blame? Aren't we supposed to be the same? That's why I will never tame This thing that's burning in me I am the one who chose my path I am the one who couldn't last I feel the life pulled from me I feel the anger changing me Sometimes I can never tell If I've got something after me That's why I just beg and plead For this curse to leave me Tell me why am I to blame? Aren't we suppose to be the same? That's why I will never tame This thing that's burning in me I am the one who chose my path I am the one who couldn't last I feel the life pulled from me I feel the anger changing me Betrayed, I feel so enslaved I really tried, I did my time I am the one who chose my path I am the one who couldn't last I feel the life pulled from me I feel the anger changing me Oh God, the anger's changing me Oh God, the anger's changing me
