Y'all want a single - Korn

Y'all want a single, say fuck that

Fuck that, fuck that

Y'all want a single, say fuck that

Fuck that, fuck that

Y'all want a single, say fuck that

Fuck that, fuck that

Y'all want a single, say fuck that

Boom, boom, boom, boom

What's going on today?

We gotta break away

We got a problem and

I think it's going to make us go down

They think we're all the same

And always we're to blame

For shit I think is lame

It's time to stop the game

I think it's time to pay

For everything you made me say

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

What's going on today?

Why must it be this way?

We're going nowhere

And we're still knocking the need to bow down

They think we're all the same

And always we're to blame

For shit I think is lame

It's time to stop the game

I think it's time to pay

For everything you made me say

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

Y'all want a single, say fuck that

(fuck that)

Fuck that, fuck that

(fuck that)

We are the ones breaking you down

We are the hope to drown out your sounds

All across the world

You've been what you found

All across the world you're breaking you down

Y'all want a single, say fuck that

Fuck that, fuck that shit

Y'all want a single, say fuck that

Fuck that, fuck that shit

Y'all want a single, say fuck that

Fuck that, fuck that shit

Y'all want a single, say fuck that

Fuck that, fuck that shit

Fuck

Y'all want a single, say fuck that

Fuck that, fuck that

Fuck that, fuck that Y'all want a single, say fuck that (fuck that) Fuck that, fuck that (fuck that) Y'all want a single, say fuck that (fuck that) Fuck that, fuck that (fuck that) Y'all want a single, say fuck that (fuck that) Fuck that, fuck that (fuck that) Y'all want a single, say fuck that (fuck that) Fuck that, fuck that (fuck that)
