

Speechless – Lady Gaga

How? How? How?

I can't believe what you said to me

Last night we were alone

You threw your hands up

Baby, you gave up, you gave up

I can't believe how you looked at me

With your James Dean glossy eyes

In your tight jeans with your long hair

And your cigarette stained lies

Could we fix you if you broke?

And is your punch line just a joke?

I'll never talk again

Oh, boy, you've left me speechless

You've left me speechless, so speechless

And I'll never love again

Oh, boy, you've left me speechless

You've left me speechless, so speechless

I can't believe how you slurred at me

With your half wired broken jaw

You popped my heart seams

On my bubble dreams, bubble dreams

I can't believe how you looked at me

With your Johnnie Walker eyes

He's gonna get you, and after he's through

There's gonna be no love left to rye

And I know that it's complicated

But I'm a loser in love, so, baby

Raise a glass to mend

All the broken hearts of

All my wrecked up friends

I'll never talk again

Oh, boy, you've left me speechless

You've left me speechless, so speechless

And I'll never love again

Oh, friend, you've left me speechless

You've left me speechless, so speechless

How? How? How?
How? How? How?
And after all the drinks
And bars that we've been to
Would you give it all up?
Could I give it all up for you?
And after all the boys
And girls that we've been through
Would you give it all up?
Could you give it all up?
If I promise, boy, to you
That I'll never talk again
And I'll never love again
I'll never write a song
Won't even sing along
I'll never love again
How?
So speechless
You left me speechless, so speechless
Will you ever talk again?
Oh, boy, why you so speechless?
You've left me speechless, so speechless
Some men may follow me
But you choose "Death and Company"
Why you so speechless? Oh-oh, oh
