## Speechless - Lady Gaga

How? How? How? I can't believe what you said to me Last night we were alone You threw your hands up Baby, you gave up, you gave up I can't believe how you looked at me With your James Dean glossy eyes In your tight jeans with your long hair And your cigarette stained lies Could we fix you if you broke? And is your punch line just a joke? I'll never talk again Oh, boy, you've left me speechless You've left me speechless, so speechless And I'll never love again Oh, boy, you've left me speechless You've left me speechless, so speechless I can't believe how you slurred at me With your half wired broken jaw You popped my heart seams On my bubble dreams, bubble dreams I can't believe how you looked at me With your Johnnie Walker eyes He's gonna get you, and after he's through There's gonna be no love left to rye And I know that it's complicated But I'm a loser in love, so, baby Raise a glass to mend All the broken hearts of All my wrecked up friends I'll never talk again Oh, boy, you've left me speechless You've left me speechless, so speechless And I'll never love again Oh, friend, you've left me speechless You've left me speechless, so speechless

How? How? How? How? How? How? And after all the drinks And bars that we've been to Would you give it all up? Could I give it all up for you? And after all the boys And girls that we've been through Would you give it all up? Could you give it all up? If I promise, boy, to you That I'll never talk again And I'll never love again I'll never write a song Won't even sing along I'll never love again How? So speechless You left me speechless, so speechless Will you ever talk again? Oh, boy, why you so speechless? You've left me speechless, so speechless Some men may follow me But you choose "Death and Company"
