

# Lost – Linkin Park

Just a scar somewhere down inside of me  
Something I can not repair  
Even though it will always be  
I pretend it isn't there  
I'm trapped in yesterday  
Where the pain is all I know  
And I'll never break away  
'Cause when I'm alone  
I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion  
But I'm tired, I will always be afraid  
Of the damage I've received  
Broken promises they made  
And how blindly I believed  
I will never break away  
'Cause when I'm alone  
I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion  
I try to keep this pain inside  
But I will never be alright  
I try to keep this pain inside  
But I will never be alright  
I try to keep this pain inside (I'm lost)  
But I will never be alright  
I try to keep this pain inside (I'm lost)  
But I will never be alright  
I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion
