

Happier then ever – Billie Eilish

When I'm away from you
I'm happier than ever
Wish I could explain it better
I wish it wasn't true, mm-hmm
Give me a day or two
To think of something clever
To write myself a letter
To tell me what to do, mm-hmm
Do you read my interviews?
Or do you skip my avenue?
When you said
You were passing through,
was I even on your way?
I knew when I asked you to be cool
About what I was telling you
You'd do the opposite of what
You said you'd do
And I'd end up more afraid
Don't say it isn't fair
You clearly weren't aware that
you made me miserable, ooh
So if you really wanna know
When I'm away from you
I'm happier than ever
Wish I could explain it better
I wish it wasn't true, mm-hmm
You called me again, drunk in your Benz
Driving home under the influence
You scared me to death,
But I'm wasting my breath
'Cause you only listen to your fucking
I don't relate to you
I don't relate to you, no
'Cause I'd never treat me this shitty
You make me hate this city
And I don't talk shit about

You on the internet
Never told anyone anything bad
'Cause that shit's embarrassing,
You were my everything
And all that you did was make me fucking sad
So don't waste the time I don't have
Don't try to make me feel bad
I could talk about every time
That you showed up on time
But I'd have an empty line,
'cause you never did
Never paid any mind to my mother or friends,
So I
Shut 'em all out for you 'cause I was a kid
You ruined everything good
Always said you were misunderstood
Made all my moments your own
Just fucking leave me alone
