

# Your Power – Billie Eilish

Try not to abuse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But havin' it's so strange

She said you were a hero  
You played the part  
But you ruined her in a year  
Don't act like it was hard  
And you swear you didn't know  
No wonder why you didn't ask  
She was sleepin' in your clothes  
But now she's got to get to class

How dare you?  
And how could you?  
Will you only feel bad when they find out?  
If you could take it all back  
Would you?

Try not to abuse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But havin' it's so strange

I thought that I was special  
You made me feel  
Like it was my fault, you were the devil  
Lost your appeal  
Does it keep you in control?  
For you to keep her in a cage?  
And you swear you didn't know  
You said you thought she was your age

How dare you?  
And how could you?

Will you only feel bad if it turns out  
That they kill your contract?  
Would you?

Try not to abuse your power  
I know we didn't choose to change  
You might not wanna lose your power  
But power isn't pain

Mmm

Ooh

La-la-la-la-la, hmm

La-la-la-la-la-la, la-la
