

Boys Like Toys – Blanka

Your friends on fake ids
DM's are coming in
I'll tell you little something
Same bad guys you're cruising with

Feelin' your eyes all around me
Emotions coming in
Hearing your steps behind me
Cause you're obsessed with me

Oh no no, just don't be shy
Look in my eyes
And tell me lies

Whoo-oh
Oh no no, what's on your mind
Cause every time
You're getting closer, closer
Yeah

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before
Yeah

Oh boy
Play you like a toy

Oh boy
I will play you like before

Havin' dinner with my new toy
I see you walking in
If you wanna join me baby
We got room four-three

Looking so good, you want it
I'll be catching you stare
But I gotta keep it honest
No one's making it fair

Oh no no, what's on your mind
Cause every time
You're getting closer, closer
Yeah

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before
Yeah

Oh boy
Play you like a toy

Oh boy
I will play you like before

I'll play you like a toy
You'll wish you never met me
I'll play you like a toy
Oh boy
I'll play you like a toy
You'll wish you never met me
I'll play you like a toy

Uh

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before

Boys ah-ha
Are like the toys ah-ha
So let me show you-ah
And I will play you like before
Yeah
