

Met Him Last Night ft. Ariana Grande – Demi Lovato

Late at night,
I'm sippin' as you pass me by
Red or white,
You pour another, say "It's fine"
I don't believe in you
(I, I don't believe)
'Cause I know just how you do
(I, I see right through)
I've seen the devil,
Yeah, I met him last night
Had conversation, yeah, I think he's alright
Seemed kinda funny,
Yeah, he's kinda my type
(Yeah, he's kinda my type)
Yeah, yeah, yeah
I've seen the devil, yeah,
I met him last night
One conversation, now he's spendin' the night
I think I love him,
Though I know it ain't right
You got me ***** up,
I won't let this happen again
This the last time,
You won't take advantage of my innocence
I don't believe in you
(I, I don't believe)
Disguised, but I see right through
(I, I see right through)
I've seen the devil,
Yeah, I met him last night
Had conversation,
Yeah, I think he's alright
Seemed kinda funny,
Yeah, he's kinda my type
(Yeah, he's kinda my type)

Yeah, yeah, yeah
I've seen the devil,
Yeah, I met him last night
One conversation, now he's spendin' the night
I think I love him,
Though I know it ain't right
(Don't know it ain't right, yeah)
How could I ever believe him?
That one look could be so deceivin'
Boy, you were my only vice,
I never feel this way
Won't be no hostage, I'm leavin'
Boy, you just gave me a reason
No one ever thought I'd be the one
No one ever thought I'd be the one to fall
Watch me bounce before I give you my all
So, I promise tonight is the last call
I don't believe in you
(I, I don't believe)
Disguised, but I see right through
(I, I seen right through)
I've seen the devil,
Yeah, I met him last night
Had conversation, yeah, I think he's alright
Seemed kinda funny, yeah, he's kinda my type
Yeah, yeah, yeah
I've seen the devil, yeah,
I met him last night
One conversation, now he's spendin' the night
I think I love him,
Though I know it ain't right
(Ain't right, ain't right, ain't right) No
(Mmm, mmm, oh, whoa)
(Mmm, mmm)
(Mmm, mmm)
Oh, hey, hey
