

## Doda – Fake love

Oh, what, oh, world you live in?

Oh, what, oh, world now?

I know you can't get away from it no, no

Don't tell me lies, no

Don't tell me lies, no, no

I'll always give my heart

You said, "You're my music of life"

But you can't talk without the lies

That you're giving my heart

Oh, it's electric in your veins

Yeah, you know what to say

I'm addicted to your love

I'll always give my heart to you

To you, to you

I'll always give my heart to you

Always give my heart to you

Always give my heart to you

Heart to—

I'll always give my heart—

Nakarm mnie sobą

Jestem głodna miłości

Przytulę kamień, kiedy ma Twoje oczy

Widzę w nich tylko mrok

I nie chcę uciec stąd

Nie puszcę go już z rąk

You said, "You're my music of life"

But you can't talk without the lies

That you're giving my heart

Oh, it's electric in your veins

And you know what to say

I'm addicted to your love

I'll always give my heart—

Fake love forever

In my world full of hurt, no!  
Fake love, it's only thing  
I've known, what the fuck, God!  
We'll never come back down  
We'll never fall  
No, no!  
I'll always give my heart to you  
To you, to you  
I'll always give my heart to you  
Always give my heart to you  
Always give my heart to you  
Heart to—  
I'll always give my heart to you
