

Powerless – Linkin Park

You hid your skeletons
when I had shown you mine
You woke the devil
that I thought you'd left behind
I saw the evidence,
the crimson soaking through
Ten thousand promises,
ten thousand ways to lose
And you held it all
But you were careless to let it fall
You held it all
And I was by your side
Powerless
I watched you fall apart
and chased you to the end
I'm left with emptiness
that words can not defend
You'll never know what I
became because of you
Ten thousand promises,
ten thousand ways to lose
And you held it all
But you were careless to let it fall
You held it all
And I was by your side
Powerless
And you held it all
But you were careless to let it fall
You held it all
And I was by your side
Powerless!
Powerless!
Powerless!
