We found love (acoustic cover) – Rihanna

Yellow diamonds in the light And we're standing side by side As your shadow crosses mine What it takes to come alive It's the way I'm feeling I just can't deny But I've gotta let it go We found love in a hopeless place Shine a light through an open door Love and life I will divide Turn away 'cause I need you more Feel the heartbeat in my mind It's the way I'm feeling I just can't deny But I've gotta let it go We found love in a hopeless place Yellow diamonds in the light And we're standing side by side As your shadow crosses mine We found love in a hopeless place We found love in a hopeless place
