

# We Found Love (metal cover) – Rihanna

Yellow diamonds in the light  
Now we're standing side by side  
As your shadow crosses mine  
What it takes to come alive  
It's the way I'm feeling I just can't deny  
But I've gotta let it go  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
Shine a light through an open door  
Love and life I will divide  
Turn away 'cause I need you more  
Feel the heartbeat in my mind  
It's the way I'm feeling I just can't deny  
But I've gotta let it go  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
