

# Over And Over Again – Ariana Grande & Nathan Sykes

From the way you smile  
To the way you look  
You capture me  
Unlike no other

From the first hello  
Yeah, that's all it took  
And certainly  
We had each other

And I won't leave you  
Always be true  
One plus one, two for life  
Over and over again

So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you

Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment  
It will stay brand new  
'Cause I'll love you  
Over and over again

Over and over again

From the heat of night  
To the break of day  
I'll keep you safe  
And hold you forever

And the sparks will fly

They will never fade  
'Cause every day gets better and better

And I won't leave you  
Always be true  
One plus one, two for life  
Over and over again

So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you

Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment  
It will stay brand new  
'Cause I'll love you  
Over and over again

Over and over again

Girl when I'm with you  
I lose track of time  
When I'm without you  
You're stuck on my mind

I'll be all you need  
Until the day that I die  
I'll love you  
Over and over again

So don't ever think I need more  
I've got the one to live for  
No one else will do  
I'm telling you

Just put your heart in my hands  
I promise it won't get broken  
We'll never forget this moment

It will stay brand new  
'Cause I'll love you  
Over and over again

Over and over again

Over and over again
