Honeymoon Avenue – Ariana Grande

I looked in my rear view mirror and
It seemed to make a lot more sense
Than what I see ahead of us, ahead of us, yeah
I'm ready to make that turn
Before we both crash and burn
Cause that could be the death of us, the death of us, baby

You know how to drive in rain
And you decided not to make a change
Stuck in the same old lane
Going the wrong way home

I feel like my heart is stuck in bumper-to-bumper traffic,
I'm under pressure
Cause I can't have you the way that I want
Let's just go back to the way it was

When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin' like crazy
Can we get back to the way it was?

Hey, what happened to the butterflies?
Guess they encountered that stop sign
And my heart is at a yellow light, a yellow light
Hey, right when I think that we found it,
Well, that's when we start turning around
You're saying, "Baby, don't worry,"
But we're still going the wrong way, baby

You know how to drive in rain
And you decided not to make a change
Stuck in the same old lane
Going the wrong way home

I feel like my heart is stuck in bumper-to-bumper traffic,

I'm under pressure
Cause I can't have you the way that I want
Let's just go back to the way it was

When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin' like crazy
Can we get back to the way it was?

They say only fools fall in love
Well, they must've been talking about us
And sometimes I feel like I've been here before
I could be wrong, but I know I'm right
We gon' be lost if we continue to fight
Honey I know, yeah,
We can find our way home

I feel like my heart is stuck in bumper-to-bumper traffic,
I'm under pressure
Cause I can't have you the way that I want
Let's just go back to the way it was

When we were on Honeymoon Avenue
Honeymoon Avenue
My baby, coastin' like crazy
Can we get back to the way it was?

When we were on Honeymoon Avenue
Honeymoon Avenue
Baby, coastin' like crazy
Can we get back to the way it was?

Baby, you know how to drive in rain
You decided not to make a change
Stuck in the same old lane
Going the wrong way home

I feel like my heart is stuck in traffic,
I'm under, pressure, pressure
Let's just go back to the way it was

When we were on
(Honeymoon Avenue, Honeymoon Avenue,
Honeymoon Avenue, Honeymoon Avenue)

Let's just go back, back, back
