Bad - Billie Eilish (Michael Jackson cover)

Your butt is mine, gonna take you right Just show your face in broad daylight I'm telling you on how I feel Gonna hurt your mind, don't shoot to kill

I'm giving you one count of three
To show your stuff or let it be
I'm telling you just watch your mouth
I know your game
What you're about

Well they say the sky's the limit And to me that's really true But my friend you have seen nothing Just wait 'til I get through

Because I'm bad, I'm bad, c'mon
You know I'm bad, I'm bad, I'm really really bad
And the whole world's got has to answer right now
Just to tell you once again
Who's bad?
The word is out
You're doing wrong
Gonna lock you up

Before too long

Your lying eyes

Gonna tell you right

So listen up

Don't make a fight

Your talk is cheap

You're not a man

You're throwing stones

To hide your hands

Well they say the sky's the limit

And to me that's really true

But my friend you have seen nothing
So just wait till I get through
Because I'm bad, I'm bad, c'mon
You know I'm bad, I'm bad, you know
You know I'm bad, I'm bad, I'm really really bad
And the whole world's got to answer right now
Just to tell you once again
Who's bad?
