What Was I Made For? – Billie Eilish

I used to float, now I just fall down I used to know but I'm not sure now What I was made for What was I made for?

Takin' a drive, I was an ideal Looked so alive, turns out I'm not real Just something you paid for What was I made for?

'Cause I, I I don't know how to feel But I wanna try I don't know how to feel But someday, I might Someday, I might

Mhmm-mhmm-mhmm

When did it end? All the enjoyment I'm sad again, don't tell my boyfriend It's not what he's made for What was I made for?

'Cause I, 'cause I I don't know how to feel But I wanna try I don't know how to feel But someday I might Someday I might

Think I forgot how to be happy Something I'm not, but something I can be Something I wait for Something I'm made for Something I'm made for
