Battle Syphony – Linkin Park

I got a long way to go And a long memory I've been searching for an answer Always just out of reach Blood on the floor Sirens repeat I've been searching for the courage To face my enemies When they turn down the lights I hear my battle symphony All the world in front of me If my armor breaks I'll fuse it back together Battle symphony Please just don't give up on me And my eyes are wide awake For my battle symphony For my battle symphony You say that I don't belong You say that I should retreat That I'm marching to the rhythm Of a lonesome defeat But the sound of your voice Is the pain in reverse No surrender, no illusions And for better or worse When they turn down the lights I hear my battle symphony All the world in front of me If my armor breaks I'll fuse it back together Battle symphony Please just don't give up on me And my eyes are wide awake If I fall

Get knocked down

Pick myself up off the ground
If I fall
Get knocked down
Pick myself up off the ground
When they turn down the lights
I hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back together
Battle symphony
Please just don't give up on me
And my eyes are wide awake
For my battle symphony
For my battle symphony
