

# Stay ft. Mikky Ekko – Rihanna

All along it was a fever  
A cold sweat hot-headed believer  
I threw my hands in the air,  
said show me something  
He said,  
if you dare come a little closer  
Round and around and around  
and around we go  
Ooh now tell me now tell me now  
tell me now you know  
Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't  
live without you  
It takes me all the way  
I want you to stay  
It's not much of a life you're living  
It's not just something you take,  
it's given  
Round and around and around  
and around we go  
Ooh now tell me now tell me now  
tell me now you know  
Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't  
live without you  
It takes me all the way  
I want you to stay  
Ooohh the reason I hold on  
Ooohh cause I need this hole gone  
Funny you're the broken one  
but I'm the only one  
who needed saving  
Cause when you never see the light  
it's hard to know

which one of us is caving  
Not really sure how to feel about it  
Something in the way you move  
Makes me feel like I can't  
live without you  
It takes me all the way  
I want you to staaaaaaaaaay,  
I want you to stay,  
Ooohh
